

SOILSCAPE SOLUTIONS COMPOST

1 Cu. Yards (764 L)

The rich, living nature of Soilscape Solutions® Compost makes it a perfect addition to depleted soils as it revitalizes soil, increases organic matter and increases pest insect and disease resistance. This fungal dominated static compost is used to inoculate depleted soils and compost piles, an addition to potting media in raised beds/pots, or as a top dressing for houseplants, trees, shrubs, lawns and other garden plants.
